For Soup (No Spigot)

Model 350LCD 3$\frac{3}{8}$ gallon (12,7 L)

StoreSafe

Features & Benefits

- Attractive design is perfect for front-of the-house hot and cold beverage or soup service. Stacks easily for storage and transportation.
- Serving capacity:

  Model 100LCD - 27 each 7 oz. (210 mL) cups
  Model 250LCD - 45 each 7 oz. (210 mL) cups
  Model 350LCD - 61 each 7 oz. (210 mL) servings

- Single-molded, seamless, double-wall, high-density, polyethylene construction is highly durable, dishwasher safe and resists dings and dents. Textured exterior is scratch-resistant.
- Polyurethane foam insulation provides excellent hot or cold temperature retention for hours. Hot beverages remain hot without the need for a costly external heating source.
- Molded-in handles offer comfortable easy transporting.
- Recessed sturdy plastic latches will not rust or corrode and are protected from being hit or damaged.
- Drip proof recessed spigot (on 100LCD & 250LCD) allows for convenient access. Optional Easy Serve Dispenser lever attaches easily and offers easy and even beverage dispensing.
- Raised edge, spill proof rim prevents spills and leaks during transport.
- Pop-up vent on all models helps to equalize pressure and release steam.
- Self-adhesive beverage labels included for quick identification of contents.
- Optional Condiment Holder and Riser available for 250LCD.
- Optional Camdollies® offer easy transporting.
- Non-electrical.
- No assembly required.
- Available in 8 colors.
