Warewashing Made Simple.

D500

Front loading commercial dishwasher with three minute wash cycle and simple two button controls for effortless, consistently clean results.

The D500 is an easy to operate dishwasher with a 500 x 500mm basket that holds 18 full-sized plates. With a choice of three wash cycles, this machine is capable of cleaning up to 360 plates per hour.

The digital LCD display accurately shows the temperature of the wash tank and rinse boiler, reassuring the operator that it is up to temperature and fully sanitising during the wash cycle.

With intuitive colour coded lighting and universally recognised symbols, this machine is incredibly easy to use, plus features performance enhancing customisations through its advanced settings modes. Additionally, its clever software constantly monitors wash cycles, temperatures, chemical usage and any errors giving valuable data which is used to improve operational efficiencies.

The D500 comes as standard with a drain pump along with chemical pumps
