

Grill Station

The modern, stylish Roband Grill Station is available in six or eight slice size models. The Roband range sets the benchmark for commercial contact grills. The versatile unit rapidly toasts sandwiches, paninis and focaccias, in addition to producing beautifully seared and grilled tender meat, poultry and fish. Featuring elements embedded directly into smooth, high pressure die-cast aluminium plates, the cooking surface produces an even, extremely efficient heat transfer ensuring food is cooked rapidly with even colouration.

The Roband Grill Station truly is a must-have for cafes, takeaways, sandwich shops or anywhere that toasting and / or grilling is required.

FEATURES

- Six or eight sandwich capacity
- Quality high pressure die-cast aluminium cooking plates with cast-in elements for efficient, directional and effective heat transfer
- Precise thermostat for controlling cooking temperature
- Even temperature distribution across each plate and between the top and bottom plates
- Ability to switch between top and bottom plate operation or bottom plate only operation
- A counter-balanced top plate and an arched handle makes operating the Grill Station easy
- Easy one-handed loading and unloading of food with the top plate capable of staying partially open at an approximate 45° angle
- A load limiter that reduces the resting weight of the top plate on food being grilled or toasted
- Plate spacers are available separately for very thin contents
- High splash guard with top plate always positioned over bottom plate ensuring grease and crumbs fall onto bottom plate
- A front positioned grease collection box collects grease and crumbs and is well-positioned for easy removal and cleaning
- Small counter space requirement due to the elimination of a cumbersome back cable
- Angled control panel for clear visibility of settings
- 5 minute timer with warning bell
- Includes one premium spatula
- Optional ribbed top plate and / or non-stick coating
- Optional non-stick Grill Sheet (PTFE) & retainer clip keeps the plates clean, prevents food sticking and is removable, cleanable & replaceable
- Optional side draining grease channel for high volume waste (model GC6 or GC8, see page 6)
