The Semak VitaJuice retains all the natural vitamins and living enzymes in the juice, preserving the health and vitality benefits of fruits and vegetables. Based on over 60 years of experience and research the Semak VitaJuice uses a unique world first dual edged auger for cutting efficiency to slowly and gently extract all the vitamins and nutrients from fruits and vegetables.

The VitaJuice's quiet Induction Motor gently squeezes juice and pulp slowly and quietly with loving care to preserve nature's gentleness and life giving living food properties.

With the Bonus Sauce Maker the VitaJuice is capable of producing delicious fruit/vegetable sauces, thick & creamy soups, crushing nuts and icy frozen fruit desserts. Let the Semak VitaJuice provide a natural option and be your ultimate partner in health, nutrition, diet and portion control.

Additional Sauce Making Function

Squeezing Basket

Included Ingredient Tamper

Patented Double Cutting Edged Ultem Juicing Screw

Powerful reducing condensing induction motor slowed to 47 Rpm for gentle squeezing and optimum juice extraction

# COMPARE THE DIFFERENCE

**TRADITIONAL  
HIGH SPEED JUICER**

**VITAJUICE  
SILENT JUICER**

**VS**

**Juice Separation Layer**  
Is caused by high speed friction of stainless steel blades reducing nutrients and vital enzymes needed in our daily diets.

## Specifications

Model	VJ2012
Power	240 V
RPM	47 RPM
Noise	30-40db
Weight	8.3KG
Origin	Made in Korea
Warranty	10 Years

\*10 Year Motor Warranty (Household Use Only)

## The Nutritional Content !

Vita Juice is the only true well-being juicer as it keeps all the nutrients and enzymes.

\*Test results are from our internal tests. Other test environments may produce different results.

## More Vitamin C !

Vita Juice slowly and gently presses out the juice keeping more of the vitamin C alive and well. Get ALL of nature's nutrition.

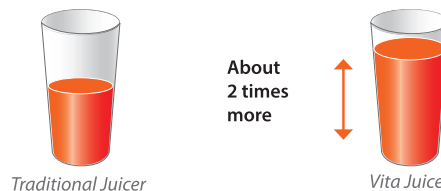

## Silent Operation !

Unlike traditional juicers, Vita Juice operates silently, even under heavy duty use due to it's low speed motor that squeezes out the juice.

\*Data is based on international results. Results may vary.

## The Amount Extracted !

\*Amount of juice extracted from tomatoes. Results from our internal test.

## JUICER

Juices  
Sorbets
